

REMARKS

By this Preliminary Amendment applicant has amended the specification by incorporating appropriate section titles. The Abstract has also been amended to address formal issues. A clean copy of the Abstract is also attached hereto on a separate sheet of paper. The claims have been amended to remove multiple dependencies and to otherwise place the claims in a more conventional format for prosecution in the Untied States. New claim 12 has been added and is supported by original claim 5. Applicant respectfully submits that the amendment to the specification and the claims do not introduce new matter, and entry thereof is respectfully requested.

In view of the foregoing, claims 1-12 are presented for the Examiner's consideration on the merits.

DATED this 21st day of June 2006.

Respectfully submitted,
